KAMIKAZE

invites you to the

KICK-OFF PARTY

HOMELESS NYC

THURS. OCT 3/10PM-2AM

During October, New York's leading artists will take to the streets to demonstrate their feelings about the crisis of homelessness here in New York City. This evening all artists are encouraged to join them by bringing a stencil to spray on the spot in a large collaborative banner. The rest of this month, this stencil is to be sprayed in the public view at least twenty times.
